THE ACADIAN STORY

This year Louisiana is celebrating the bi-centennial of the coming of the Acadians to this area. The traditions and customs that these Acadians brought from their native country have become an integral part of the culture of our state today.

It is for you and me, the descendants of these weary exiles who toiled to make beautiful southwest Louisiana as prosperous as it is today, that we wish to preserve the high points of their dramatic story as it was portrayed by this year's Camellia Pageant.

Maids to the queen are, from left, Marcia Cowan, Joy Barras, Neva Lee, Bessie Guidry, Louise Cornay, Dalel Helo, and Beatrice Yazbeck.

IVERSON

Gail Dugal, an Acadian girl, is crowned queen of the Camellia Pageant by Dr. Georges Dumont, President of La Societe Nationale l'Assomption of Canada.

The gay and simple life of the French peasants was interrupted by a proclamation from the king seeking volunteers to settle in the new world. In 1604, many of these good people were crowded into small ships for the long, hard journey to the new world.

After many years of disease, English occupation and other hardships, the Acadians finally prospered, and they lived quietly, enjoying their peaceful life in L'Acadie.

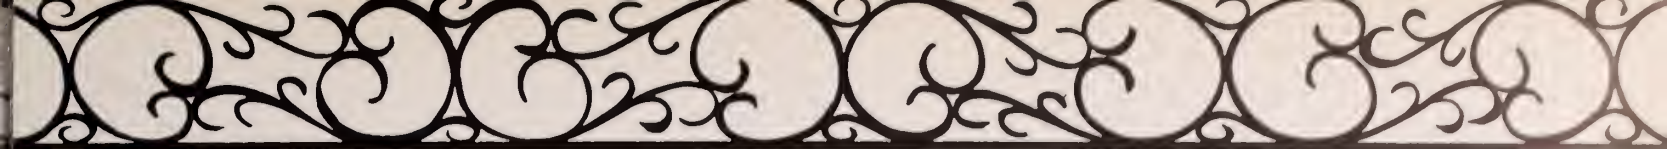

In 1755 the lives of our ancestors were disrupted by the arrival of a British Troop with that fateful proclamation . . . exile!

Appeals for mercy were unheard. At last, those exiles that survived, found haven near the mouth of the Mississippi in Louisiana.

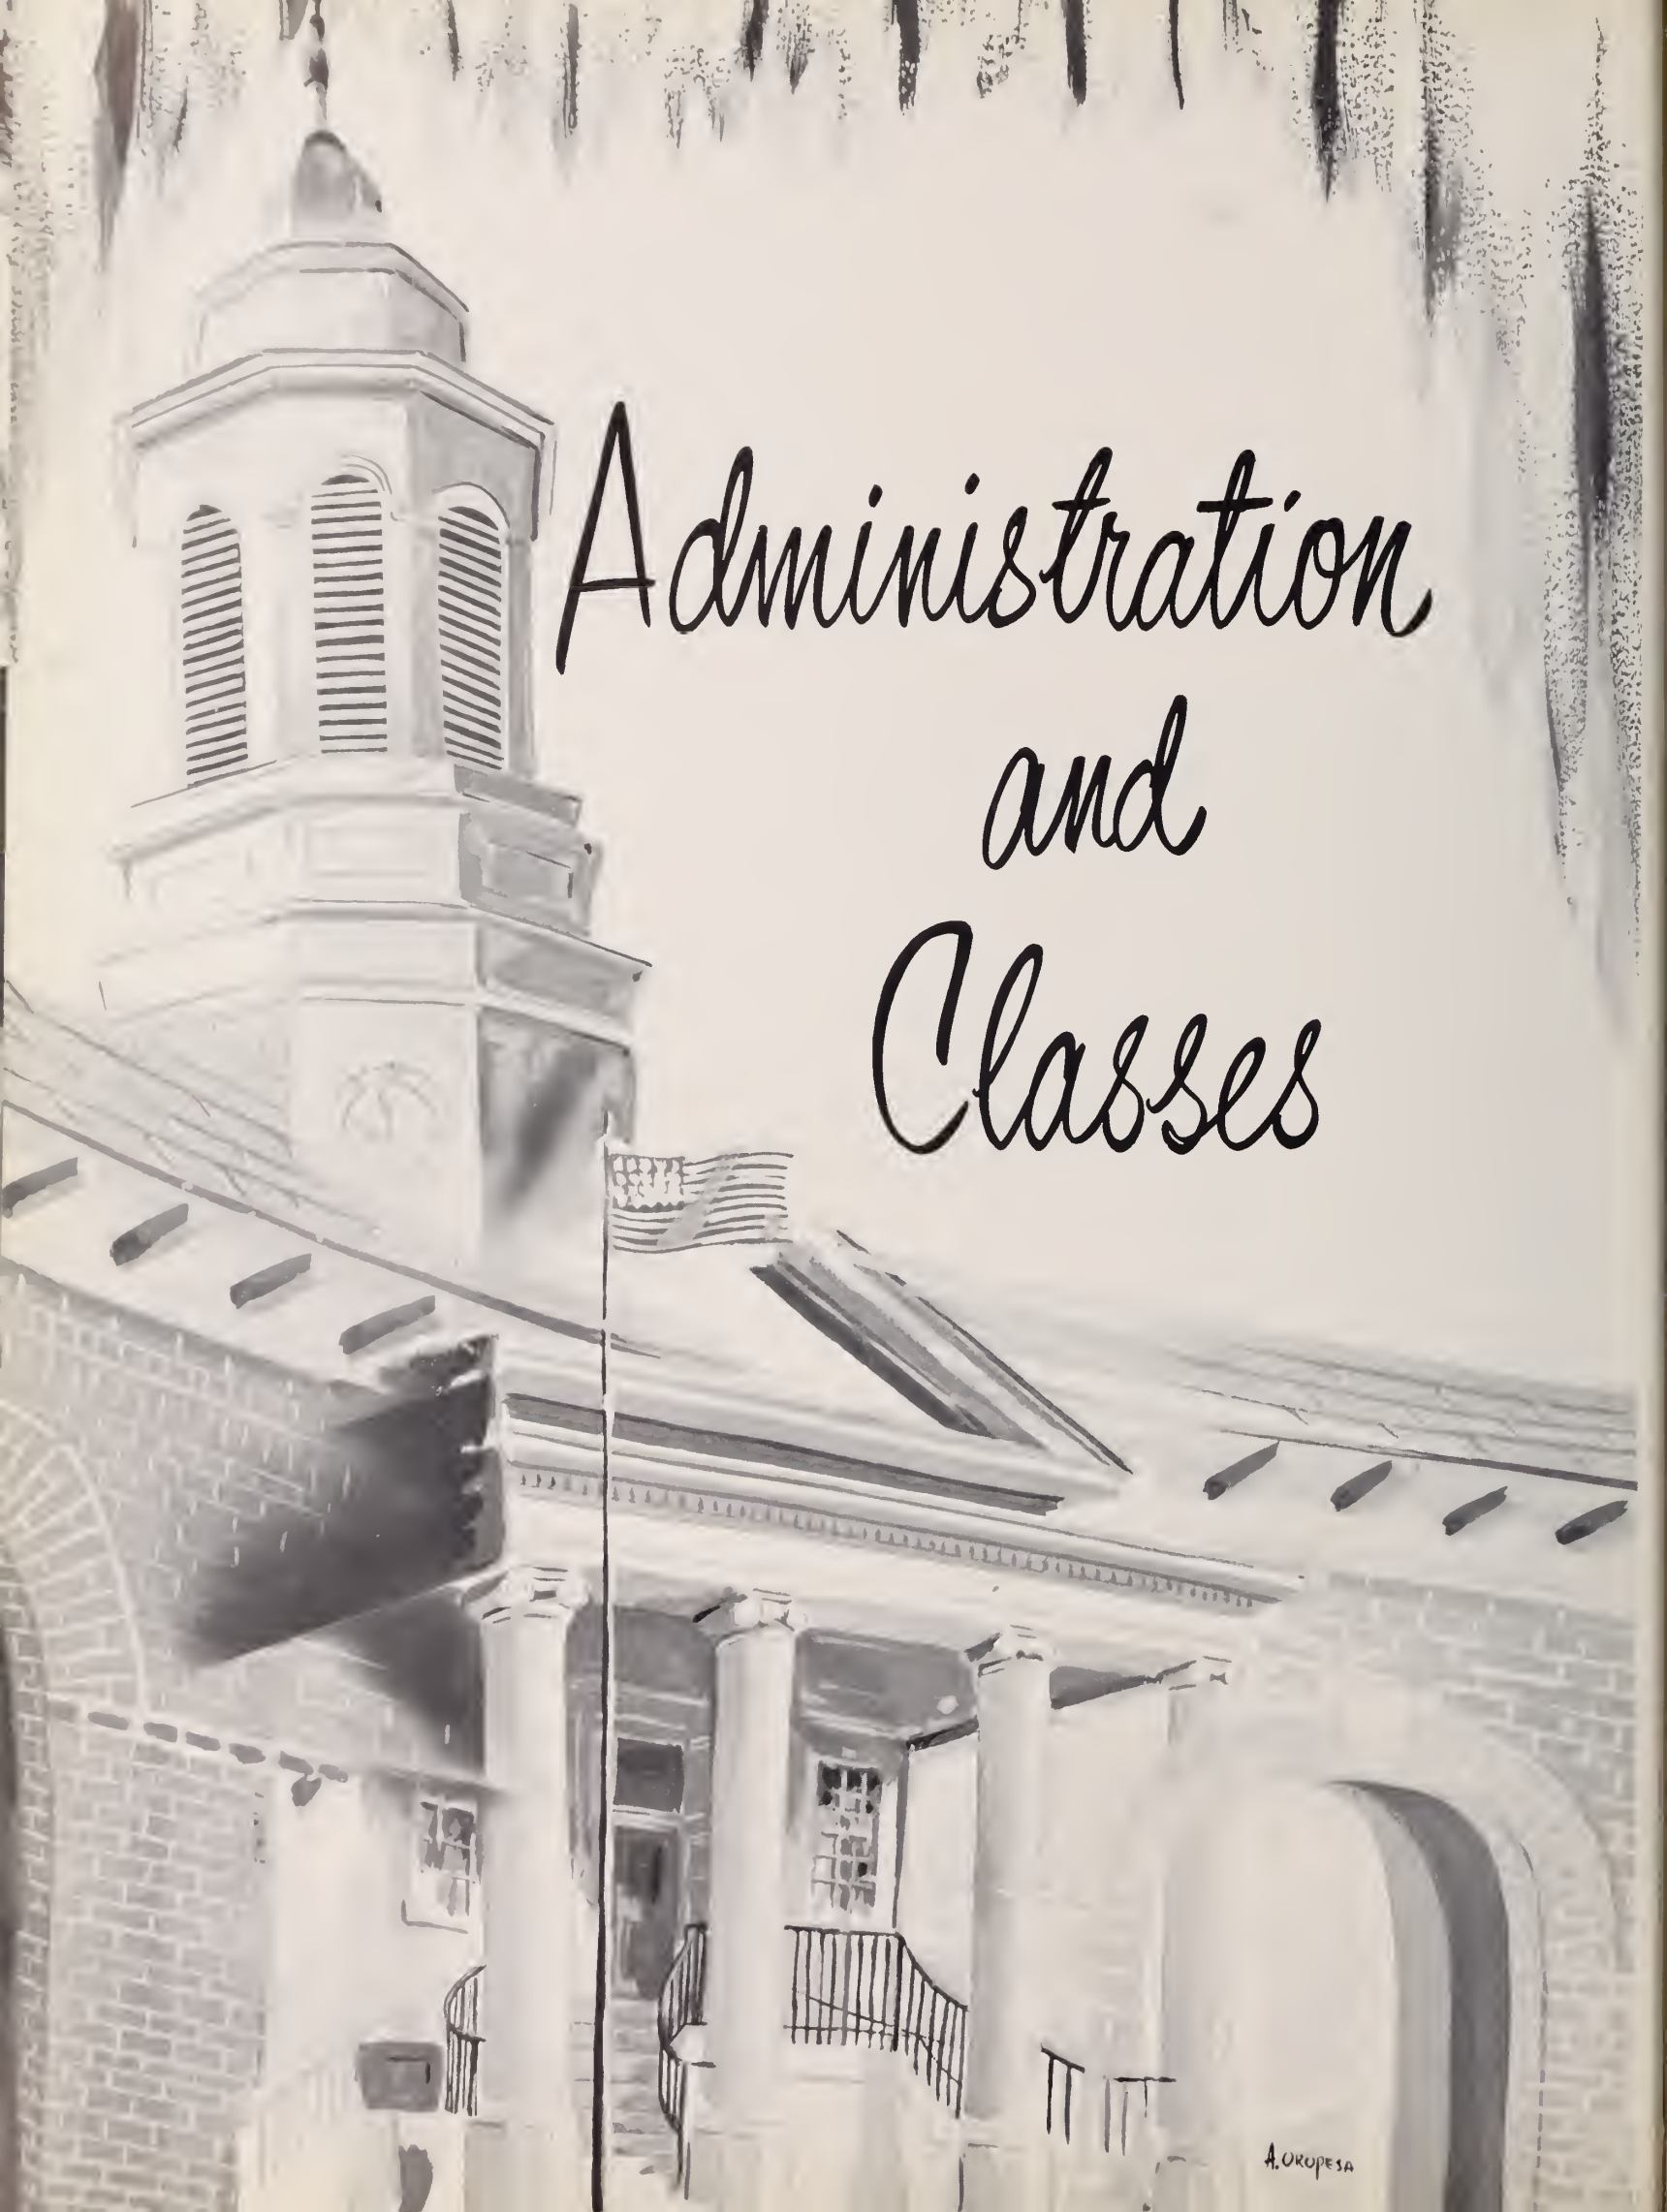

The weary exiles in their new home
tilled the soil and prospered. They
gave thanks to God and enjoyed their
folk songs and dances and the simple
pleasures of life that they loved.

Among the Acadians were found great educators, authors, religious men and women, judges and politicians to whom we pay tribute, along with the Acadian youths of today.

PROCLAMATION

Mayor Mouton in an announcement today proclaimed the week of January 10th through the 17th as "ACADIAN WEEK" in Lafayette in honor of the Acadian Bi-Centennial Celebration.

The celebration being held throughout the State of Louisiana in honor of the Acadians is a tribute to their courage, fortitude, patience and greatest of all their faith in God.

The Acadians whom we know most about and claim our greatest interest and admiration, are those who found a haven in Louisiana. They are our ancestors and they carried the names such as Boudreau, Dugas, Richard, Doucet, Landry, and many others who contributed much to the development of our great State of Louisiana.

Those valient men and women are fully entitled to the great honor that is being paid them through our Acadian Bi-Centennial Celebration and I urge all citizens to participate in the celebrations being held.

COLLEGE OF COMMERCE

From its beginning a major purpose of the Institute has been to prepare young men and women for entrance and leadership in the business community. In the first graduating class were several who were graduated from the Department of Commerce. Through the years the department enrolled a sizable proportion of the students and constituted a major division of the school. Recognition of the importance of the division was evidenced by the creation of the College of Commerce in September, 1952.

Dean of the College of Education

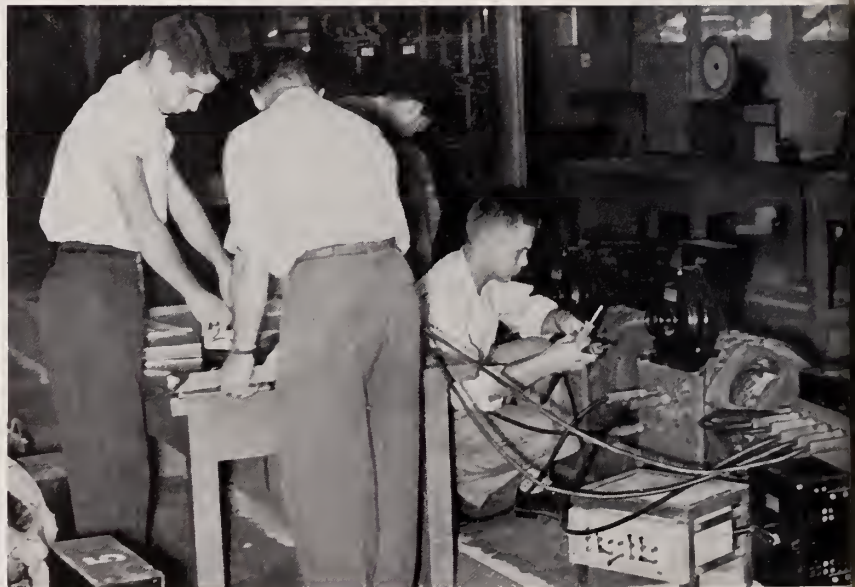

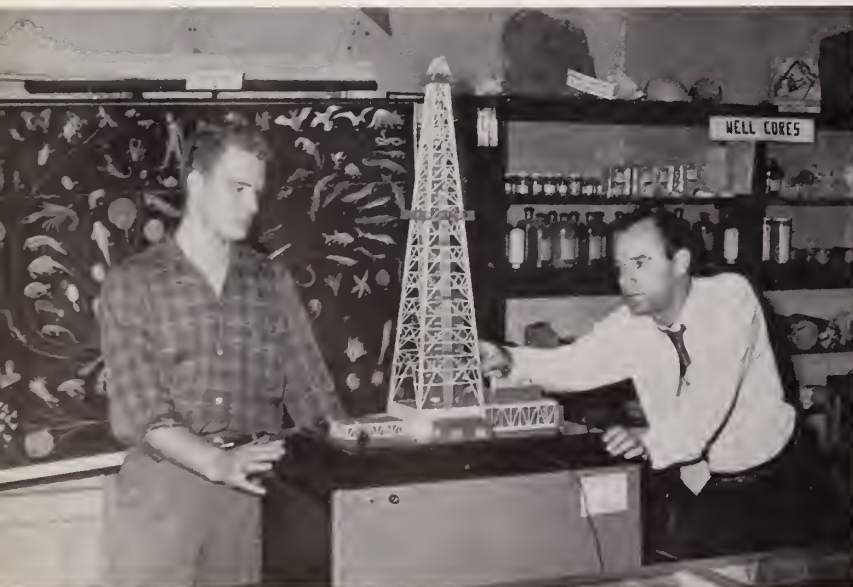

COLLEGE OF EDUCATION

The purpose of the College of Education is to educate teachers for the elementary and secondary public schools of Louisiana, and to render professional and auxiliary services to the schools of Louisiana. Provision is made for the liberal and cultural education and the technical and professional training of young men and women who have selected teaching as a profession. It is also intended to give such training as to provide a foundation for leadership in the profession in the function of supervision and administration.

FREDERICK WILLIAM ZUR BURG, Ph.D.

COLLEGE OF ENGINEERING

The College of Engineering aims to give the student a solid and broad training in the basic subjects of mathematics, physics, and English; a basic training in the sciences dealing with human relations and business organization and administration; a fundamental training in engineering based upon the foundation of mathematics and the physical sciences.

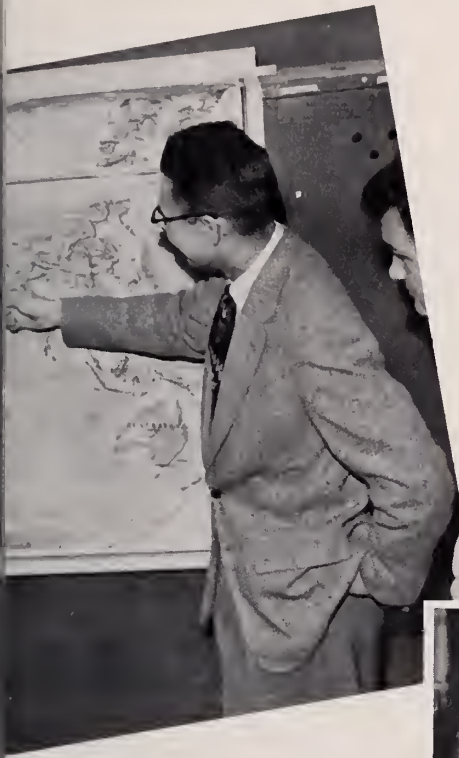

JOSEPH A. RIEHL, M.A.
Dean of the College of Liberal Arts

COLLEGE OF LIBERAL ARTS

The main purpose of the College of Liberal Arts is to give those students who pursue its curricula a well-rounded, cultural education based on the arts and sciences; to train them in clear and accurate thinking and expression; to develop in them intellectual initiative and independence of thought basic to the formation of sound judgments.

SURGICAL • OBSTETRICS

CLAIRE M. J. WANGEN, M.A.

COLLEGE OF NURSING

The aim of the College of Nursing is to offer the student a sound, broad, basic curriculum in which education is the primary consideration.

STATE OF LOUISIANA

BATON ROUGE

PROCLAMATION

WHEREAS, the year nineteen hundred and fifty-five marks the two hundredth anniversary of the beginning of the long pilgrimage of the Acadian people to Louisiana after their cruel and tragic exile from their once peaceful homes in far off Nova Scotia, and

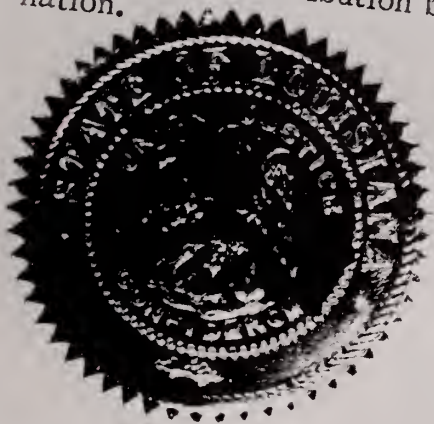

WHEREAS, the courage and devotion of these exiles have provided posterity with one of History's finest examples of perseverance in Christian Idealism of Justice and Freedom, and

WHEREAS, the sacrifices and tribulations of this noble people have enriched the culture and literature of Louisiana, providing the state with a heritage of greatness,

NOW, THEREFORE, I, Robert F. Kennon, Governor of Louisiana, do hereby proclaim the year nineteen hundred and fifty-five to be set aside as the year of the

ACADIAN BICENTENNIAL CELEBRATION

in Louisiana and do hereby call upon the justly-proud descendants of these Acadian People, together with all other citizens of Louisiana, to participate to the extent of their abilities in proper observance of the occasion and to cooperate fully with the association formed for the purpose of recognizing the contribution by this brave group of pioneers to our state and nation.

IN TESTIMONY THEREOF I have hereunto set my hand and caused to be affixed the Great Seal of the State of Louisiana, at the Capitol, in the City of Baton Rouge, on this, the 15th day of December, A. D. 1954.

Dear Mr. Arceneaux:

To all participating in the Acadian Bicentennial Celebration, I send my greetings.

From generation to generation in the past two centuries, the Acadians of Louisiana have upheld the faith of their fathers and maintained a way of living which has uniquely contributed to the variety and richness and interest of life in America. At the outset of this anniversary year -- a reminder of the Acadians' history and traditions -- I should like to wish all of you a most successful celebration.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dwight D. Eisenhower", written in a cursive style.

LAMAR STATE 26

In the opening game of the season the Bulldog squad gave it everything they had but the Lamar State Indians squeezed through with a 26-20 win. Coach Didier's spirits were raised and certain for he knew that his squad would make a good show in the '54 season.

SOUTHWESTERN 0

SOUTHEASTERN 36

In the second game of the season a big disappointment comes as the Bulldogs fall to a Southeastern Lion victory of 36-0. The S.L.I. squad, playing good ball all the way, just could not make ground over the powerful Southeastern Louisiana College Lions.

EAST TEXAS 33

The tide stood still as the East Texas State Lions tallied a 33-13 victory in the third game of the season.

The first East Texas scoring started with a pass from Fox to Marshall over the middle for a touchdown. The second E.T.S. score came in the first quarter as Marshall drove vigorously for a touchdown. Fox's kick was good for the extra point.

The Bulldogs picked up and flashed at the Lions as White's pass to Roth was good.

The last Lion score was in the fourth quarter when Pirkey handed off to Price who attempted an illegal forward pass. Pirkey passed to Yates on the seven yard line for a first down. Pirkey pitched out to Carpenter who circled right end to touchdown.

NORTHEASTERN 7

Coach Ray Didier pulled the wraps off the explosive S.L.I. squad as they romped a 41-7 victory over the Northeast State Indians.

Playing straight methodical ball, the Bulldogs ground out their victory in an easy fashion.

The Bulldogs began the scoring in the first quarter when Chambers passed on the Indians' 39 yard line and the pass was intercepted by Roth for the first S.L.I. touchdown.

The second Bulldog talley came as a result of supreme running by Roth for 62 yards and the fine kick for the extra point by Foreman.

S.L.I. picked up its last touchdown in the final frame as Millet carried the ball over for the 41-7 score.

ARKANSAS STATE 2

Well on the winning path the S.L.I. squad pulled a 36-2 win over Arkansas State College.

Arkansas made its only point in the first quarter when Millet was tackled in the end zone for a safety.

The first Bulldog talley came also in the first quarter when Millet ran for the touchdown. The extra point was kicked by Leonard.

The last score of the game came when Roth carried the ball for 15 yards behind beautiful blocking, around left end for a touchdown.

It was homecoming for everyone this time. Our team played beautiful ball as they romped Louisiana Tech in a 25-0 victory.

The first S.L.I. score came when Louis Roth took the ball around left end for a 22 yard touchdown on the first play of the game. Foreman's kick for the extra point was good.

The Bulldogs kept their spirit up and scored point after point. Homecoming was quite a memorable occasion for all.

SOUTHWESTERN 25

LA. COLLEGE 13

This was the excursion game. Our team played a good clean game as they ran over Louisiana College for a 25-13 victory.

The Bulldogs playing a straight game showed their strength as they pushed Louisiana College over the field.

SOUTHWESTERN 7

NORTHWESTERN 34

Well, it couldn't last forever. The Bulldogs were the under-dog, this time again not making a very good show this year, the Bulldogs took a beating by Northwestern to the tune of 34-7.

N.S.C. made its scores in the first part of the game when N.S.C. carried the pig skin around left end for an 82 yard run and a touchdown. Jackson booted the extra point.

The Bulldog's only score came in the last play when Gearen passed 27 yards to Burleigh for the touchdown. Leonard's first kick was no good. N.S.C. was off sides, however, and Leonard's second kick was good.

SOUTHWESTERN 55

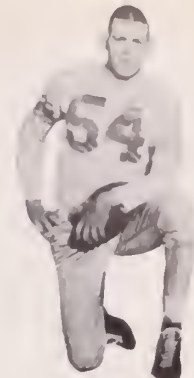

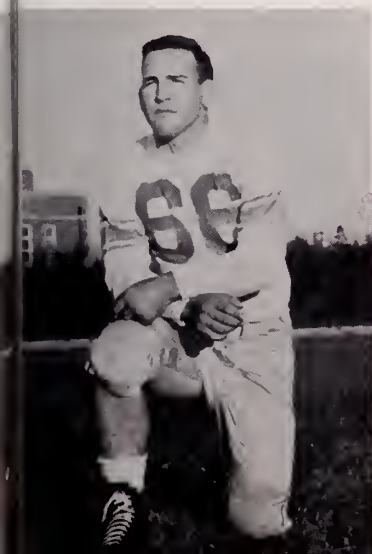

McNEESE 12

In the last game of the season the Bulldogs started off with Frank Gearen's pass to David Moore for the first score. Leonard's kick was good.

Alonzo curved around left end 31 yards when he was hit by a mass of Cowboys; he broke loose and reversed his field to score. Leonard punted for the extra point.

The last score of the game came when Foreman tried to block a pass by Fontenot and tipped it into Clark's hands for a McNeese touchdown.

The Bulldogs started slow this season losing to Loyola, and Spring Hill, but came back with a four game winning streak to defeat Loyola, Louisiana College, Missouri Valley and Lamar Tech. Spring Hill broke this streak, and after coming up for a victory over Louisiana College, the dogs dropped games to Louisiana Tech, Southeastern, McNeese and Northwestern. Lamar Tech was defeated the second time by the Bulldogs as they went ahead to defeat Centenary College, also. After dropping games to Northeastern, Northwestern, and Southeastern, Southwestern's hoopsters turned about to beat McNeese and finished the season with losses to Louisiana Tech and Northeastern.

The dogs lost by a two-point margin to defending champion, Southwestern of Oklahoma, by one point to powerful Colorado State, then blasted highly rated Taylor University 75-56, to win third place in the consolation finals. Winning berths on the All-Tournament team were Southwestern's Dallas Wolfe and Eddie McCauley.

NEW ORLEANS

Your Excellency,

The Holy Father has learned with pleasure of the forthcoming celebration of the two hundredth anniversary of the arrival in Louisiana of the Acadians, and of the prior settlement there of pioneers from France.

His Holiness directs me to convey to Your Excellency, and to the descendants of those intrepid souls who preferred voluntary exile and building a new life in a strange land to the loss of their precious faith, His paternal felicitations and good wishes for the success of this celebration. In these days of increasing urbanization, with attendant dangers to religious faith, the heroic sacrifices of the early French and Acadian settlers should serve as an inspiring example for those who promote Catholic rural settlement, and for all who strive to hold high the traditions of their Catholic religion and their culture.

It is, then, as a token of His fatherly interest and benevolent affection that the Sovereign Pontiff cordially imparts to Your Excellency, to the organizers of and the participants in this Acadian Bicentenary Celebration in the State of Louisiana, in pledge of abundant divine favors and graces, His particular Apostolic Blessing.

With sentiments of high esteem and sincere personal regard, I remain

Devotedly yours in Christ,

His Excellency
The Most Reverend J. F. Rummel, D. D.

The parade wound its way to McNaspy Stadium and the spirited spectators cheered the Bulldogs on to victory. Our victory was celebrated late into the night at the many open houses which followed the game.

I am pleased to have this opportunity to send greetings to the Acadians of Louisiana on the occasion of the opening of the ceremonies marking the two hundredth anniversary of the dispersal of the Acadian peoples.

They will be joined in their celebrations by thousands of Canadian citizens of Acadian origin whose descendants will also be recognizing an event in history which was marked by faith, courage and sacrifice.

Acadians of both the United States and Canada have made a significant contribution to their nation's culture and progress and I am confident that in observing this historic event they will have the good wishes and goodwill of their fellow citizens in both lands.
